Re: Comments & Affidavit of Petitioner: MM Docket No. 96-136  
RM-8816

Dear Mr. Caton:

I am the Petitioner in the above referenced Notice of Proposed Rulemaking. I am hereby submitting comments and making the necessary amendments to my previous filing as requested by the Commission in its release of June 21, 1996 [DA 96-947]. I have enclosed an affidavit that not only includes these new comments but my original Petition for Rulemaking that was filed by me on May 22, 1996.

I have enclosed an original and four copies of both my Comments and the Affidavit. I have also included a "Stamp & Return" copy of each along with a postage-paid, self-addressed envelope for my files.

Respectfully submitted,

James M. Boersema (Petitioner)

COMMENTS OF JAMES BOERSEMA

I, James Boersema, do hereby submit the following comments in reference to the above Notice of Proposed Rulemaking that was filed by me on May 22, 1996 and released by the Federal Communications Commission on June 21, 1996 [DA 96-947]. I initially filed the Notice and erroneously requested the allotment of UHF television Channel 60 to Mililani, Hawaii. The complete name of the proposed community should be **Mililani Town, Hawaii** as correctly noticed in the Commission's release of June 21, 1996. I regret any confusion this may have caused.

I do further hereby incorporate by reference my former pleadings and restate my intention to apply for Channel 60 in Mililani Town, Hawaii if allotted and, if authorized, to build the station promptly.

Respectfully submitted,

By:

**AFFIDAVIT**

I, James Boersema, do hereby certify and verify that the statements and exhibits in my Petition for Rulemaking filed on May 22, 1996 are true and correct to the best of my knowledge, information and belief and that there is good grounds to support these statements.

I do further certify and verify that the attached Comments of James Boersema dated June 27, 1996 are true and correct to the best of my knowledge, information and belief and that there is good grounds to support these statements as well.
